ABOUT
ST ALOYSIUS SCHOOL GAUR

Knowledge **Excellence** **Influence** **Leadership** **Empathy**

St. Aloysius School, Gaur, Jabalpur is a premier English-medium, co-educational institution established under the able guidance of the Catholic Diocese of Jabalpur and managed by the Jabalpur Diocesan Educational Society. Founded in 2014, the school follows the CBSE curriculum and is committed to providing quality education that nurtures academic excellence, moral values, discipline, and holistic development. Located in the serene surroundings of Gauraiya Ghat, the school offers a learner-friendly environment supported by well-equipped classrooms, dedicated faculty, and a strong emphasis on character building, leadership, and social responsibility. At St. Aloysius, we strive to shape confident, compassionate, and competent individuals who are prepared to face the challenges of the future with faith, integrity, and excellence.

MESSAGE

In the pursuit of excellence, innovation becomes our light and achievement our legacy.

Innovation ignites the mind, and achievement crowns the effort.

Excellence is not a destination; it is a continuous journey of growth, courage, and innovation.

Dear Students, Teachers, and Esteemed Parents

With great joy and renewed enthusiasm, I welcome you all to the new academic session as we embrace our inspiring theme for the year, "Rise in Achievement, Shine with Innovation."

As the steward of this vibrant Aloysian family, I embrace the responsibility of fostering growth, inspiring excellence, and ensuring that every learner and educator flourishes in confidence and creativity. I envision a year where each one of you rises to new heights of achievement-not only in academics but also in character, resilience, and values.

Let this be a year of meaningful progress, where you continually gain new knowledge, discover hidden talents, and add beautiful memories of applause and accomplishment to your journey. May every success you achieve strengthen your confidence and fill you with pride. I encourage you to be shining examples to others sources of motivation, innovation, and integrity carrying forward the proud legacy of our institution while courageously crossing every barrier that comes your way.

Achievement is not merely about reaching goals; it is about embracing the process of learning. growing, and evolving. Let innovation guide your thoughts and actions, empowering you to adapt, create, and lead in an ever-changing world.

I extend my heartfelt gratitude to our respected parents who have entrusted us with their precious children to be groomed and polished like diamonds. Your faith and support inspire us to remain steadfast in our mission. I assure you that the Aloysian family will work together with dedication. and commitment to nurture young minds, shape strong character, and carve a bright and promising future for every child, under the gracious blessings of the Almighty Lord.

Education is a shared journey, and your continued cooperation is invaluable. We look forward to walking hand in hand with you, making this academic year a remarkable chapter of achievement and innovation.

May this year truly witness each one of us rising in achievement and shining with innovation.

With warm regards and best wishes

Principal

MESSAGE FROM

THE PRINCIPAL

REV. FR. S. AROCKIYA RAJA

OUR FACULTY

Teachers : Architects of Tomorrow

All teachers at St. Aloysius School Gaur are core professionals and children friendly. We believe that children think and learn differently and that intelligence is expressed in a multitude of ways, hence our curriculum has a multifaceted approach to incorporate all intellectual domains.

Teachers create an invigorating ambience that kindles the curiosity of every child.

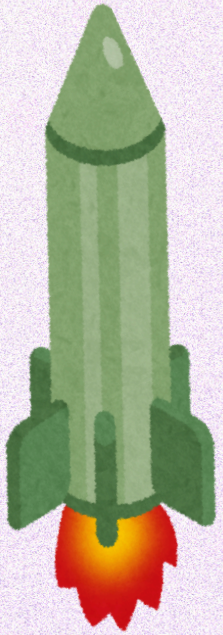

OUR VISION

To work collectively in a holistic and harmonious environment towards providing and establishing excellence in quality education.

OUR MISSION

The school recognizes that each student is a unique creation of God. We are committed to nurturing every child through a compassionate and dedicated team of educators who promote the love of learning, instill self-worth, and provide quality education in a safe and supportive environment.

We aim to foster self-discipline, motivation, and excellence in learning, transforming students into confident, independent individuals who contribute responsibly to the global community.

ACADEMIC EDGE

St Aloysius School Gaur, stresses on creating a Caring Community of Learner's and this is basically what gives the School an academic edge over others.

Warm. Supportive & Stable Relationship At SASG, all members of the School community - students, teachers, staff, parents would know one another intimately. Students will be taught to view their classmates primarily as collaborators in learning, and not as competitors in the quest for marks or grades or recognition.

Constructive Learning Children at SASG. would naturally try to make lives sense of the world to figure out how a magnet works or why friends help. Good teaching, at SASG, will not only foster these efforts to understand, but also hone them up by helping children become more skillful, reflective and self critical in their pursuit of knowledge. Teachers shall support and extend children's natural efforts to learn.

Firstly, our teachers shall provide a coherent curriculum organised around important concepts rather than a mixture of isolated facts.
Secondly, they shall connect the curriculum with children's own natural efforts to make sense of the world. Children could see mathematics, for example, as a powerful means for understanding the world and not as arbitrary principles that apply only within classroom walls.

When children would see how the ideas and skills of school help them understand and act upon the world how they are genuinely useful they will begin to practice these academic skills throughout their home and school

Attention To Social & Ethical Dimensions Of Learning: At SASG, everything about schooling-curriculum, teaching methods, discipline, inter personal relationships-shall teach our children about the human qualities that we value.

PASTORAL SUPPORT

EDUCATING STUDENTS FOR SUCCESS IN A CHANGING WORLD

WHAT MAKES US DIFFERENT?

Every child is unique. The potential in each child in the Scholastic and Co-Scholastic will be tapped out to bring the Hero in the child. Each child will be motivated and inspired to dream big and carve a niche for himself / herself.

Each child's identity shall be honored to change his / her signature into autograph. Our curriculum delivery will be different. Teaching and Learning to shift away from rote methods. Curriculum to be enriched enough to go beyond text books.

Opportunities to be created to enhance the ability of children to link learned knowledge to life outside school. Examination to be more flexible and integrated with classroom life. Classroom experience is directed towards becoming good citizens with a sense of equality and compassion towards others.

Activity based joyful stress-free learning, focus on development of motor skills, learning by doing. Emphasis on learning from Environment – Green Environment / Botanical Garden / Solar Energy. Blend of Indian values and world culture.

PERSONALIZED LEARNING

TRADITIONAL TEACHING IS SOMETHING THAT IS GIVEN TO YOU. PERSONALIZED LEARNING IS SOMETHING THAT YOU SEEK

Personalized learning refers to instruction in which the pace of learning and the instructional approach are optimized for the needs of each learner. Thus, whenever and wherever the need be, the following will be kept in mind:

- Learning objectives, approaches, contents, and tools are tailored and optimized for each learner.
- The pace of learning is adjusted.
- The learning is driven by the learner's interest.
- Learners are given choice in what, how, when, and where they learn.
- Learning is often supported by technology.

TEACHING PEDAGOGY

ADAPTIVE TEACHING

Knowing and understanding your class and how each of your pupil learns best, and knowing what level they are at, enables personalised learning programmes to be developed and taught. The most obvious example of this is the systems for reading that schools employ. It may be marked through an accelerated reader, the Oxford Reading Scheme, or even colours and numbers! The levelling allows for directed resourcing, teaching, and peer support.

CONTEXT BASED TEACHING

What better way to learn something than to put the learning into a relevant context? Measurement and number can be made so much more relevant and concepts grasped easier by organising a class shop with real money and peer customers in order to understand the denominations of money and counting.

EMBODIED LEARNING

An educational method that does not only offer an intellectual way of teaching, but also a physical one, that involves the whole body. Using the PE lesson to teach maths skills; throwing small bean bags to one another and counting how many times they can do this before the bag is dropped!

COMPUTATIONAL THINKING

Computational thinking enables us to solve any given challenge through an analytical and methodical approach. Put simply, computational thinking teaches students to process information as a computer would.

All children are special and deserve the best education and guidance to help them become successful adults of tomorrow. At St. Aloysius School, Gaur, we aim to recognize and support gifted students as well as those with learning difficulties.

Our objective is to provide each student with an individualised programme tailored to his or her specific needs. For this reason, we ensure that help is always available on campus through experienced and trained counsellors for students and parents who require special or additional support.

Our teaching philosophy is strongly based on parental involvement and support. When children understand how the ideas and skills learned in school help them interpret and respond to the world around them, they begin to practise these academic skills naturally in their everyday home and school lives.

Attention to the social and ethical dimensions of learning is central to our approach. At St. Aloysius School, Gaur, every aspect of schooling—curriculum, teaching methods, discipline, and interpersonal relationships—aims to instil in our children the human values we cherish.

SPECIAL EDUCATION SUPPORT

CLASSROOM & DIGITAL BOARD

Our classrooms are spacious and well ventilated with comfortable ergonomic furniture. Each classroom is equipped with interactive projectors which helps to convert any surface-existing projector-screen surface, white board or wall surface into an interactive surface on which an interactive pen can be used to draw, point or check by touching the screen. Along with all multimedia devices made easily available, the learning process becomes more easy and interesting for students

MODERN LIBRARY

The School Library at St. Aloysius School, Gaur is a well-organized learning resource centre that supports and enhances students' academic growth, reading skills, and general knowledge. It offers a wide range of books and reference materials covering all classes, core subjects, and age-appropriate reading areas such as storybooks, biographies, and educational magazines. A variety of periodicals, newspapers, and educational journals are also made available to encourage regular reading habits and awareness of current affairs. The library is staffed by a qualified librarian who helps students and teachers locate materials, manage book lending, and maintain the collection. The environment is kept conducive to study and research, promoting quiet reading and self-directed learning. Students are encouraged to use library resources to support classroom learning, complete assignments, and explore new ideas beyond the curriculum.

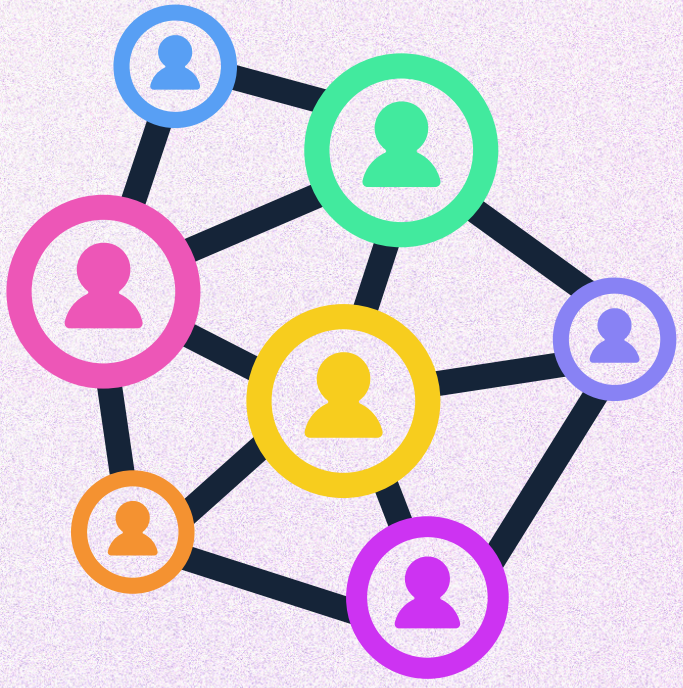

COMPUTER LAB

The Computer Lab of St. Aloysius School, Gaur is a well-equipped and technology-enabled learning space designed to provide students with practical knowledge and digital skills essential for the modern world.

The lab is spacious, well-ventilated, and equipped with updated desktop systems, high-speed internet connectivity, and modern teaching aids. Each student gets hands-on experience to enhance learning through practical sessions.

CONVENIENT

Parents can know about their child on their phone.

CBSE COURSE CONTENT

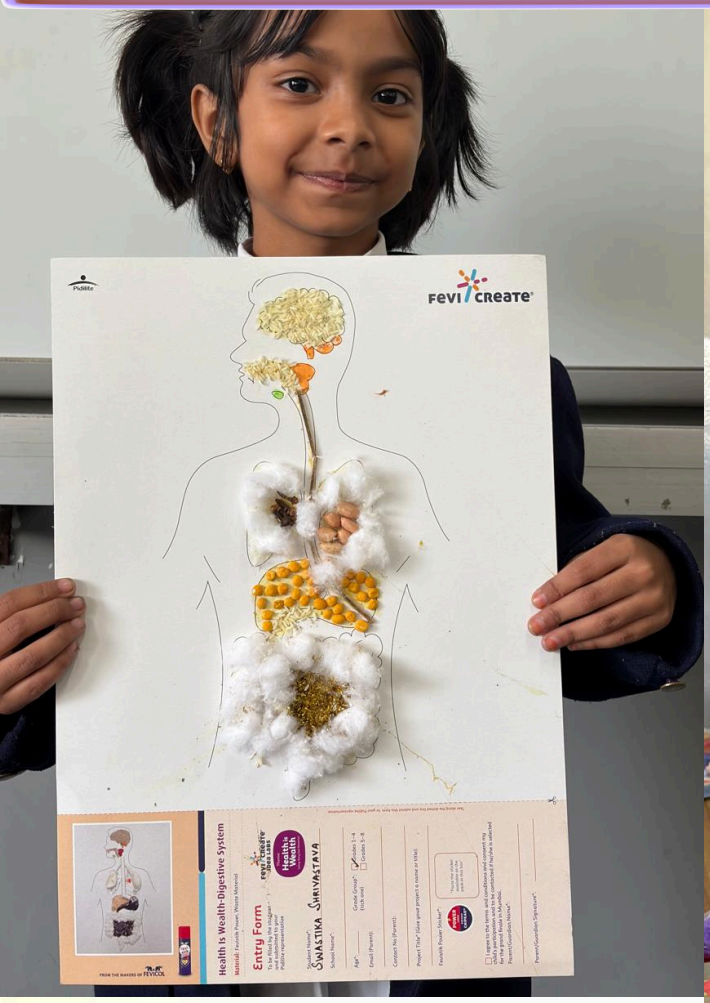

At St. Aloysius School, Gaur, we strictly follow the CBSE curriculum in accordance with the National Education Policy (NEP) 2020. The curriculum and pedagogical framework have been thoughtfully designed to be developmentally appropriate, ensuring holistic growth and meaningful learning experiences for students at every stage of school education.

5+3+3+4=15 Years of Schooling

Foundation Stage (5 years)	Prepatory Stage (3 years)	Middle Stage (3 years)	Secondary Stage (4 years)
Pre-primary & Class I and II	Class III, IV & Class V	Class VI,VII & Class VIII	Class IX,X,XI & Class XII

- Classroom experiences are thoughtfully organised to enable children to construct knowledge in harmony with their nature, abilities, and real-life context.
- Equal learning opportunities are provided to all children, ensuring inclusivity and fairness in education.
- Teaching focuses on nurturing the child's innate curiosity and natural desire to learn.
- Activity-based learning lies at the heart of a child's effort to understand and make sense of the world around them.
- Every resource is utilised in a child-centric manner, empowering children to express themselves, handle materials, explore their natural and social environment, and grow up healthy and confident.

COMPETITIVE EXAMS

St. Aloysius School, Gaur regularly conducts various competitive examinations such as SOF Olympiads and other academic contests. These exams provide students with an opportunity to test their knowledge beyond the classroom and enhance their analytical and problem-solving skills. Such initiatives encourage healthy competition, build confidence, and help students prepare for future academic challenges.

SPORTS FACILITIES

At St. Aloysius School, Gaur, we believe that sports play a vital role in a child's overall development. Qualities such as leadership, teamwork, discipline, and sportsmanship are best nurtured on the sports field.
Keeping this in mind, we provide excellent facilities for a wide range of indoor and outdoor games, guided by experienced and trained coaches who help students develop skills, confidence, and a competitive spirit.

CRICKET

A well-maintained cricket ground where the students of St. Aloysius School, Gaur practice cricket, receive proper guidance, and get opportunities to participate in matches and tournaments, helping them develop their sporting skills.

FOOTBALL

A spacious and well-maintained football field where students practice regularly and take part in competitive matches and tournaments.

KARATE

Through Karate, students learn self-defence while developing confidence, concentration, and discipline. The training encourages both physical fitness and mental resilience.

SPORTS FACILITIES

For every sport, the latest high-quality equipment is provided to students in a safe, well-maintained, and motivating environment.
Students who demonstrate talent or a natural aptitude for any game are identified, trained, and mentored under the close guidance of dedicated and experienced coaches. Their expertise and commitment help young athletes nurture their skills and realise their true potential.

BADMINTON

A modern badminton court with advanced flooring, designed to provide the best playing experience for badminton enthusiasts.

NETBALL

A well-designed netball court for students interested in learning, practising, and excelling in the game.

BASKETBALL

A synthetic basketball court equipped to support skill development and competitive play for basketball lovers.

A CELEBRATION OF TALENT

INVESTITURE CEREMONY 2025-26

DISCIPLINE

Discipline is an important part of the culture at St. Aloysius School, Gaur. The school believes that discipline helps in creating a positive and focused learning environment. Students are guided to follow rules and develop habits that help them grow into responsible individuals.

Key Points:

- Students are expected to maintain punctuality and regular attendance.
- Proper school uniform and neat appearance are strictly followed.
- Students are encouraged to show respect towards teachers, staff, and fellow students.
- Silence and order are maintained in classrooms and corridors.
- Students are guided to follow school rules and instructions sincerely.
- Discipline helps in building responsibility, self-control, and good character among students.

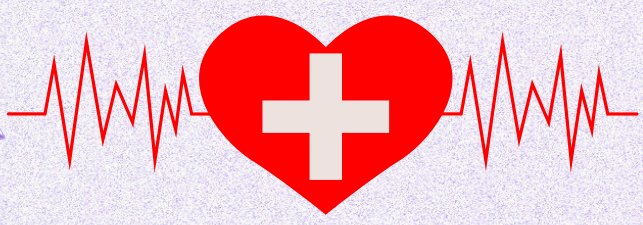

TRANSPORT

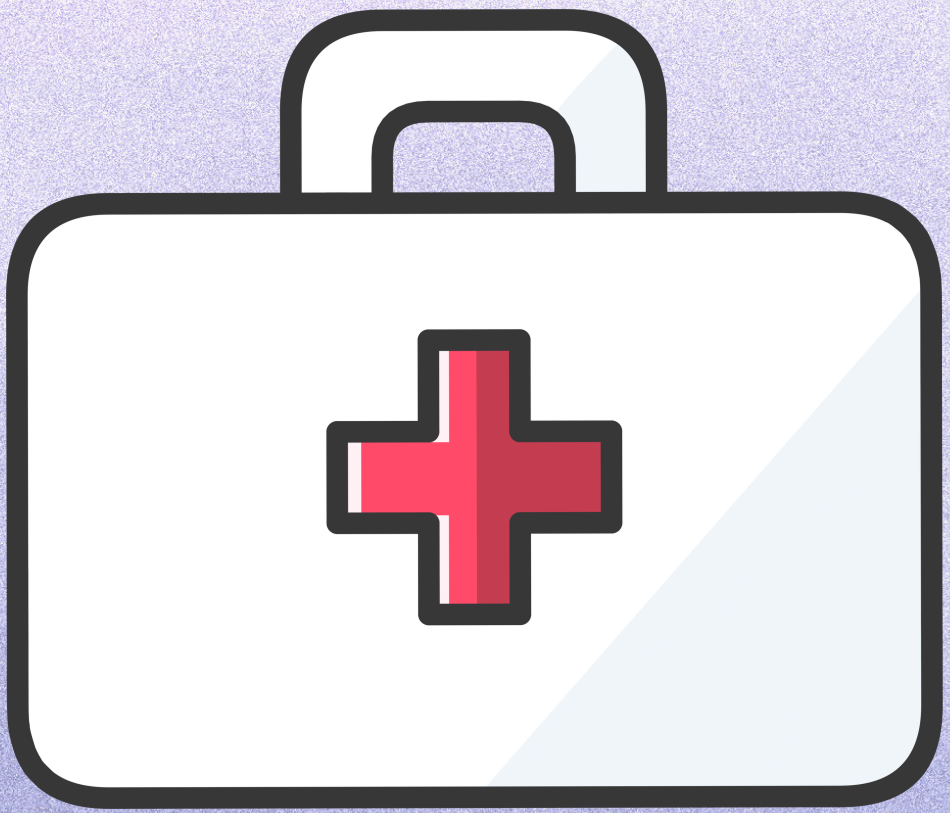

Private bus services are available for the convenience of students commuting from home to school and back. These services are operated and managed independently by private transport providers. Parents may contact the respective bus operators directly to avail themselves of this facility.

MEDICARE

St. Aloysius School, Gaur is committed to the health and well-being of its students. The school provides medical support on campus to ensure timely care whenever required. A trained nurse is available to attend to students' medical needs and to help maintain a safe and healthy school environment.

HOLISTIC APPROACH FOR CHILDREN SAFETY IN SCHOOL

In keeping with the CBSE directives, CCTV's have been installed at all vulnerable areas within the school. The entire school premises including the playgrounds, classroom, laboratories, computer rooms, library, drinking water areas etc. are kept under strict surveillance and manned by professionally trained security personnel. Fire alarm & control systems as per Government of India specifications are in place for emergency.
A digital visitor management system with visitor sign-in information has been installed to increase the level of security.
In short, the entire safety package for your ward i.e. physical safety, psycho-social safety, school transport safety and background verification of teaching & non-teaching staff are taken care of.

HOLISTIC APPROACH TO ENSURE CHILDREN SAFETY IN SCHOOL

HOLISTIC APPROACH FOR CHILDREN'S SAFETY IN SCHOOL

"Learning is creation, not consumption. Knowledge is not something a learner absorbs, but something a learner creates."

Intelligence plus character—that is the goal of true education.

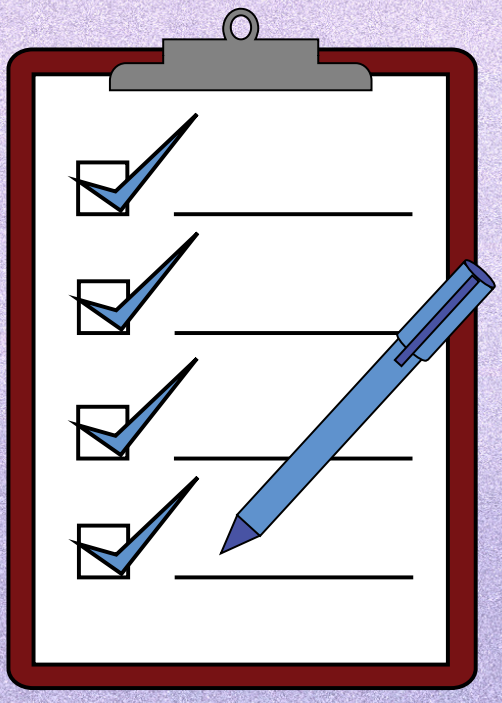

NINE-TENTHS OF EDUCATION IS ENCOURAGEMENT

-ANATOLE FRANCE

ASSESSMENT

Assessment is an essential part of the teaching–learning process at St. Aloysius School, Gaur. It helps in evaluating the academic progress and understanding level of students. Through regular assessments, teachers are able to identify students' strengths and areas where improvement is needed. These assessments encourage students to stay consistent in their studies and work towards better performance, thereby supporting their overall academic development.

WHEN WE LEARN WITH PLEASURE WE NEVER FORGET

NATIONAL SERVICE & LEADERSHIP PROGRAMME

SCOUT & GUIDE

At St. Aloysius School, Gaur, the Scout & Guide movement is a proud platform for leadership, discipline, and nation-building. Through structured training, adventure camps, community outreach, and skill-based activities, students develop confidence, resilience, teamwork, and a deep sense of responsibility.

Rooted in the spirit of service and patriotism, our Scouts & Guides are trained to lead with integrity, courage, and compassion — becoming responsible citizens and future leaders of the nation.

JUNIOR RED CROSS

The Junior Red Cross at St. Aloysius School, Gaur fosters a culture of humanitarian service and social commitment. Guided by the principles of health, service, and friendship, students actively participate in awareness drives, disaster preparedness, community service, and health initiatives.

The programme nurtures empathy, leadership, and a lifelong commitment to serving humanity with dedication and dignity.

SPECIAL ASSEMBLIES

Special assemblies in school are vital for fostering unity, boosting student confidence, and promoting value-based education beyond the classroom. They provide a platform for showcasing talent, celebrating cultural diversity, and addressing important social issues like bullying or environmental awareness. These assemblies create a positive, reflective ethos, encouraging self-development, discipline, and improved communication.

Glimpse

OUR PRIDE - X BOARD ACHIEVERS

SESSION 2024-25

The school proudly celebrates the excellent performance of its students in the Class X CBSE Board Examination (2024–25). Our Board Toppers and High Achievers have brought great honour to the institution through their dedication, perseverance, and academic excellence.

Their remarkable success reflects the school's commitment to quality education, personal mentoring, and holistic development, inspiring future batches to strive for greater heights. We congratulate our achievers and wish them continued success in all their future endeavours.

ACADEMIC EXCELLENCE IS THE HALLMARK OF OUR SCHOOL

ACHIEVEMENTS

Outstanding Achievement in National Netball

St. Aloysius School, Gaur proudly celebrates the remarkable achievement of Divyansh Roy, who has brought great honor to the school by winning a Silver Medal in National Netball. His dedication, hard work, and passion for sports have helped him reach this prestigious level. This achievement reflects not only his talent and perseverance but also the spirit of discipline and determination encouraged by the school. The entire Aloysian family congratulates Divyansh Roy for this proud moment and wishes him continued success in his future endeavors.

ACHIEVEMENTS

NATIONAL CADET CORPS (NCC)

In the academic year 2026–27, the school proudly introduces the National Cadet Corps (NCC) under the inspiring leadership of the Principal Rev Fr S. Arockiya Raja. The NCC programme nurtures discipline, leadership, courage, and a strong sense of patriotism among students.

Through regular training, camps, and community service, students gain valuable opportunities to develop confidence, teamwork, and physical fitness, while preparing themselves to become responsible citizens and future leaders of the nation. Participation in NCC also opens doors to prestigious camps, certificates, and career opportunities in defence and public service.
The introduction of NCC reflects the school's commitment to holistic education, shaping young minds with values, character, and a spirit of service to the nation.

The school offers a simple and convenient admission process through both online and offline modes to facilitate parents.

Online Mode: Parents can visit the school website, download the admission form, fill in the required details, and submit the completed form to the school along with the necessary documents.

Offline Mode: Parents may also visit the school office in person to collect the admission form, complete it, and submit it at the school along with the required documents.

Admissions are granted based on availability of seats and completion of the admission formalities. The school warmly welcomes parents to become partners in nurturing the academic growth and overall development of their children.
